As a designer piece, the CEAD HD Weatherproof display reflects a new age in marine entertainment. Refined yet robust, the CEAD HD WPTV is designed to meet the highest visual standards for the most challenging environments while complementing the most sophisticated architectural interiors providing the perfect centrepiece for onboard viewing.

The CEAD HD Weatherproof has been designed and built in Australia to handle the harsh Australian conditions experienced on our waters.

Suitable for cable TV, FTA set top boxes, PC connections, CCTV and most visual display equipment.
